Dear Sir:

ELECTION

In response to the Office Action mailed February 8, 2005, kindly consider the following remarks:

REMARKS

Applicants provisionally elect specie I. Claims 1-10, 12, 13 and 19 read upon specie I

The Examiner is strongly encouraged to reconsider the restriction requirement in this case as it relates to specie II. Claim 11 reads upon specie II, in addition to those claims that read on specie I. Specie II is nothing more than specie I with terminals extending from both sides of the circuit board rather than from only one side of the circuit board. Accordingly, applicants respectfully request that the Examiner consider species I and II.
